

Setra S411 HD

... the comfort of a bus Granturismo in 10 feet long ...

Once upon a time there was a bus Granturismo who dreamed of becoming more compact and manageable. He dreamed so strong that he succeeded. Thus was born the Setra S411 HD. A small bus just 10 meters long, with all the amenities. That rivals the larger counterparts . On our, then, we decided to reduce the number of seats up to 38. To make your travels even more intimate and relaxing .
