

Setra S411 HD

... the comfort of a bus Granturismo in 10 feet long ...

Once upon a time there was a bus Granturismo who dreamed of becoming more compact and manageable. He dreamed so strong that he succeeded. Thus was born the Setra S411 HD. A small bus just 10 meters long, with all the amenities. That rivals the larger counterparts. On our, then, we decided to reduce the number of seats up to 38. To make your travels even more intimate and relaxing.
